

About Our Wine Selection

The nose is the first aromatic impression of the wine, just like the aroma of a dish preceding tasting. I imagined a short yet precise selection of wines, representing countries around the world, with a balance between the classic, organic, old world as well as new world wine selection. All are easy to approach and to pair with all-time favorite French bistro dishes.

“There are no small wines, only small winemakers.”

Cheers!

Victor Petiot
